

Why Become a Member?

The Australian Education Union is the major education union in the ACT.

The AEU-ACT Branch and its predecessors have, for over a hundred years, addressed industrial and professional concerns of ACT public education workers.

In recent years AEU-ACT Branch members have successfully campaigned to defend wages, conditions and curriculum issues.

AEU-ACT Branch Officers have detailed knowledge of the public education system and are well placed to give advice and information quickly and efficiently.
