

AEU Training for Women Members - 2010

The AEU has a proud history of supporting its women members, who represent 70% of the membership nationally. The AEU has negotiated significant advances for women in the workplace and will continue to work collectively to address women's issues. Women members are encouraged to get involved in the AEU at all levels. The AEU Training Program offers courses specifically for women members.

Communication and Negotiation Skills **NEW!**

Tuesday 4 and 18 May, 4 – 6 pm, MR 5-6, CTL

Presenter: Cheryl O'Connor

Particularly useful for Sub-Branch Women's Contact Officers. This is a practical and supportive course which will assist in building your communication and negotiation skills for use in a range of circumstances.
