Enterprise Agreement Negotiations 2011

ETD Education Support Officers/School Assistants Latest Offer

The ACT Government has made an increased offer of 3.5% from 18 August [no back pay] and 3.5% payable on 1 July 2012 with NO changes to the common core conditions. The AEU must respond to this offer by 18 August 2011.

This is a considerable improvement on previous offers, which started at 2.5% per annum and required the removal of a number of important conditions.

Members are to be congratulated on the support they have shown for the campaign, without which the Government would not have moved from its previous unacceptable proposals.

The views of Education Support members are urgently sought about whether or not the new offer should be accepted.

AEU Officers believe that this latest offer is an acceptable settlement and ask that members consider it carefully. AEU Branch Council will consider this matter at its meeting on 13 August.
